'Smithy'

It has been a crazy few weeks with a lot of planning and preparation going into Saturday's big day! Well done again to Bruce on his amazing milestone!

By all accounts it was a successful day, even with a few hiccups. There was a large turnout for the 76-96 Grand Final Reunion, a huge crowd to celebrate Tabber's milestone 400th Game and our valuable sponsors for the sponsors afternoon. With the bar opening at 12pm it was all stations go until the end. The kids enjoyed the Minute It To Win It games and face painting and everyone liked watching the old games on the TV and lots of memorabilia for the past grand finals. Thank you to everyone who helped out - there are too many to mention. We are home again this weekend for Hurt to Help Round - please come down and watch the game and pick up a raffle ticket in our Hurt to Help Raffle or pop some money into our collection tins.

Lets go tigers 🐅

It has been a challenging but rewarding first half of the season for the club. We faced a tough start with a significant number of injuries, which tested our depth and resilience, but the response from the playing group has been outstanding. Over recent weeks we have started to put together some really strong performances, showing the effort, belief and improvement that has been building behind the scenes. Although we have fallen just short in some hard fought contests against Bruce Rock and Burracoppin, both of whom sit at the top end of the ladder, those games have shown that we are capable of matching it with the best teams in the competition. Yesterday's hard-earned win against Hyden was a great reward for the group and was made even more special playing in front of our 1976 and 1996 premiership players, as well as celebrating Tabbers' incredible milestone of 400 games. It was a fantastic day for the club and a reminder of the proud history and strong culture that continues to drive us forward. We are excited for the second half of the season and will continue to build on the momentum, effort and commitment that has been shown by everyone involved.
